

# AFFIRMING OUR FAITH

This religious community exists by its mission as a fire exists by burning.

But a fire cannot burn without fuel. And it is the time, the energy, the vision, the creativity, the compassion, the love, and the financial support of the Members and friends of this community that fuels our mission to nurture and sustain a welcoming, inclusive, and diverse liberal religious Community that transforms lives and serves the world.

Your support— free and generous support of each and every Member and friend of this community—is what fuels this Community and its mission and without your support, the flame of justice, community, and love cannot burn brightly to warm ourselves and be a beacon in a world threatened by division and fear.

We are grateful for your support that keeps a liberal voice in a conservative county.

I/We believe in the mission of this church: to grow spiritually, live meaningfully, and to help heal the world. As such, I/We want to invest in the ministry of the Unitarian Universalist Church of Greeley, as a light of liberal religion in Northern Colorado.

I know that my role as a        Supporter        Sustainer        Visionary in this church is vital to that mission and ministry, so I am pledging \$        (annual total) this year which I intend to pay        weekly        monthly        quarterly        in one payment. I wish to be considered        A Member (with all the rights and responsibilities that entails)        A Supporting Friend of this congregation.
